

Attempt to extort money by threatening to prepare indecent VCD on Sri Sri Ravishankar

Sri Sri Ravishankar

Bengaluru (Karnataka) -

An attempt is being made to extort money by threatening to prepare a indecent VCD on Sri Sri Ravishankar (Founder of 'Art of Living') thus maligning His image. According to reliable sources, a so-called journalist, Mr. Agni Shridhar has made this threat. Sri Sri Ravishankar has appealed to His devotees that they should not take law into their own hands, and observe restraint.

In this context, Mr. Prasanna Prabhu, Spokesperson for the 'Art of Living' said, "Sridhar has a criminal background. He is asking for a sum of Rs. 42 crores holding out this threat. A complaint has been lodged against him with the Police". **(It must have become quite clear that Hindu Saints can be defamed and maligned by preparing fake indecent VCDs. This also proves that defamation of Hindu Saints which has been carried out so far, is by making fake indecent VCDs on them; this very much a part of a larger conspiracy! - Editor)** ॐ

Cudappah District to be renamed 'Y Samuel Rajashekhar Reddy District' Hindus oppose AP Government move !

Bhayanagar (Andhra Pradesh) - The name 'Cudappah' is intimately associated with Deity Tirupati Balaji. It is an entry point to the temple of Tirumala Vyankateshwara. Religious sentiments of Hindus are associated with this name. It also has historic and spiritual import. That is why Hindus are opposing renaming of Cudappah District of Andhra Pradesh as 'Y Samuel Rajashekhar Reddy District'. Devotees of Sri Balaji have submitted a memorandum to the Bharatiya Government and Andhra Pradesh Government stating that the Andhra Pradesh Government, under the leadership of Congress, should stop the misuse of power by trying to degrade the Bharatiya tradition so very rooted in the name 'Cudappah'. It is clear that the Government is purposely trying to hurt the religious sentiments of Hindus by changing the name of Cudappah. Annammacharya, Bemanna and Pothluru Veera Brahma, to name a few, are several great souls who were from Cudappah. Cudappah also has historic and spiritual importance. **(The wicked Congress is bent on destroying Hindu culture by changing the names of important Hindu places. It has thus left behind even the British and the Mughals in destroying the Bharatiya culture! - Editor)**

Pune (Maharashtra) - In the premises of Chhota Shaikhsallah alias Shaikh Salaudin Dargah in Kasaba Peth, digging was going on in connection with some additional construction. Ruins of a 1000 years old 'Punyeshwar Temple' were found there. **(Once again, the proof of Muslim invaders destroying Hindu temples and constructing Mosques and Dargahs on them, has been unearthed; but it is certain that the secular (unrighteous) Congress Government will suppress this issue for appeasement of Muslims! - Editor)**

Mr. Pandurang Balkawade, a senior historian here has demanded that the construction at the site be stopped and the structure be declared a 'Heritage site'. ॐ

Devotees only should become trustees of temples ! - Sri Isha Vitthaladas Swami

Udupi (Karnataka) - "We are well aware of the harmful effects of the takeover of temples by the Governments of Andhra Pradesh, Kerala etc. The very officials who are appointed by these Governments are causing harm to Dharma. It is only with the selfish motives that the political parties are bent on taking over temples. It is for this reason that only devotees should become trustees of the temples." This was stated by Sri Isha Vitthaladas Swami of Kemaru Sandipani Ashram, Karnataka. He was talking during a protest meet organised by HJS on 1st July 2010 at Udupi, against temple take over by Government of Karnataka. The meet was also guided by other dignitaries namely, Sri Sri Sri Narasimha Swamiji (of Belkudra Muth), Mr. Raghavendra Acharya (Secretary of Neelgara Goushala) and Mr. Mohan Gowda of HJS. On this occasion, certain resolutions were passed against the proposed temple takeover bill and a plan was also chalked out to launch agitations. ॐ

Ramdas Athavale threatens to remove Shiva-pindi if Buddha Idol is not installed !

Mumbai - The President of Republican Party of India, Mr. Ramdas Athavale warned here on 28th June that if an Idol of Buddha is not allowed to be installed in Mandapeshwar cave temple of Borivali, then the ancient Shiv-pindi installed in the temple will be removed. **(According to Mr. Athavale's statement, it is clear that though he was in tears when the Taliban in Afghanistan demolished the statue of Buddha there, his attitude is no different from that of the Taliban. If Hindus in Bharat had been so hostile against Buddhists, then there would not have been a single Buddha Idol or Buddha temple left in Bharat. People like Mr. Athavale take advantage of the forbearance of Hindus! - Editor)** ॐ

Heretic police officer kicks the 'ghumati' of Sri Ambika Devi temple

Malegaon (Maharashtra) - The protective wall around the 'ghumati' of Sri Ambika Devi temple was broken when some digging work was undertaken to lay a water pipeline on Camp Road. When the re-construction of the wall was going on, Police Superintendent Chandrashekhar Chougule visited the place. He kicked the wall and the 'ghumti' of the temple. **(These are the demonic policemen in the secular (unrighteous) Congress Government regime! - Editor)** Chougule also beat up two workers and two Shiv Sainiks present there. The incident enraged Hindus, and Malegaon town branch of Shiv Sena demanded that stringent action be taken against Mr. Chougule. **(When religious sentiments of Muslims are hurt, they do not waste time in making demands, they take law into their hands to get justice. Is the Police trying to compel Hindus to follow Muslims in this regard? - Editor)** ॐ

Dr. Richard Benkin attends Hindu Dharmajaruti Sabha held in Chicago, despite threats from anti-Hindus !

Washington DC (USA) -

A Hindu Dharmajaruti Sabha organised by 'Forum for Hindu Awakening' recently concluded in Chicago (USA). Dr. Richard Benkin, a famous Human Rights activist, known for his voice against atrocities being committed on Hindus in Bangladesh, spoke in the Sabha.

Dr. Richard Benkin

During his fiery speech, Dr. Benkin not only made the attendees aware of the plight of Bangladeshi Hindus clearly, but also shared practical aspects for everyone to do toward this cause. He shared how 9 million Jews had stopped the might of the Russian government. How all Jewish people had got together and collected donations, started protests, held rallies, etc. If 9 million Jews can do that, there are 900 million Hindus ! We should be able to do much more. It is our responsibility, no one else will do it. His practical tips included contacting our elected representatives regarding this situation; supporting his organisation in whatever way we can; awakening the Hindu community to the plight of Hindus everywhere; holding any protests we can, however small, in front of the Bangladeshi Consulate, etc. He shared that a few days prior to the Sabha, a Muslim, Khalid Azam sent 3 E-mails to Dr. Benkin dissuading him from attending the Sabha. Mr. Azam is connected with some organisations, namely 'Indian Muslim Council, USA' and 'Indian Muslim Relief And Charity'. **(This shows how promptly Muslims act to suppress the voice of pro-Hindus who bring to light the atrocities on Hindus. That day is not far when such Muslims who, today are dissuading the pro-Hindus from attending Hindu meets, will not fear to give direct threats and may even beat them if Hindus do not unite. When will Hindus understand this? - Editor)**

Dr. Benkin is a Jew. Therefore, Mr. Azam desperately tried to convince him about how Hindus are followers of Hitler, and tried to poison his mind against Hindus. **(These are the cunning Muslims who are active in systematically discouraging supporters of Hindus! - Editor)**

Dr. Benkin gives a fitting reply to those trying to malign pro-Hindus !

Dr. Benkin sent an E-mail to Mr. Azam depicting the love of Arabic countries for Hitler with examples and asked him questions in return, when Mr. Azam was trying to prove the pro-Hitler attitudes of Sarsanghachalak Golwalkar Guruiji and freedom fighter Veer Savarkar. ॐ

Ritualistic worship of Goddess Saraswati banned in schools of Bengal

Kolkata (West Bengal) : Ritualistic worship of Goddess Saraswati was banned in some Schools of Bengal. In this connection a delegation of BJP met Mr. Buddhadev Bhattacharya and submitted a memorandum protesting the ban. Mr. Bhattacharya assured them that he will not allow stopping of ritualistic worship of Goddess Saraswati. **(Hindus are expecting some action from other pro-Hindu Organisations and Parties on this issue like what BJP did. Will they live up to their expectation or remain mum as ever? - Editor)** ॐ

this issue. The Muslim youth then called their friends and attacked the house of Mr. Gade with swords and beat up the members of the family and took away their gold ornaments too. After the 'Riot Control Police' arrived at the spot, the Muslim youth ran away. ॐ
